Warranty Overview

58

Warranty Health Score

Fair

12	7
Total Devices	Active Warranties
5	0
Expired Warranties	Expiring in 90 Days

Active: 7
(58%)

Expired:
5 (42%)

Key Insights

- 42% of devices have expired warranties - consider renewal prioritization.
- Some devices have been out of warranty for 27+ months - replacement may be more cost-effective than repair.

Device Details
